

## **Sycamore High School Mission and Philosophy Statements**

### **MISSION STATEMENT**

The mission of Sycamore community schools is to provide challenging and engaging educational experience to equip student with critical skills that promote intellectual, social, emotional, and physical growth.

### **Philosophy Statement**

Sycamore Community Schools believes that the behavior of every student involved in extracurricular/co-curricular activities at Sycamore High School should exemplify the honor and privilege that is associated with participation in such activities. The responsibility of taking part in these activities include following the rules set down by the school as well as the specific activity or group.
